July 2017 Newsletter

Dear Property Owners,

We would first like to thank our property owners and residents for their patience and understanding during our valve replacement project which improved the safety and reliability of our water system. We understood what an imposition this project was for all concerned.

We would also like to thank our employees Lynn Lounsbury, Water Distribution Manager, Ken Birkes, Maintenance Manager, Betty Fadeley, Business Manager, Chris Ashley, maintenance employee along with our contractor Sweeney Excavation and Central Electric Co-op crew for a job well done!!

Reserve the date!! Please cast your ballot for Board of Directors, attend the Annual Meeting on Saturday, August 5 at 10:00 a.m. in the Rec Hall and attend the annual picnic that starts at noon. Hamburgers, hot dogs and service are furnished so please bring a salad or dessert.

Our next Board Meeting will be Tuesday, July 25 at 6:30 p.m. in the Rec Hall – please come join us!!!!

Happy summer,

Betty and Kristy
