Board of Directors

Our Mission

To Protect the Lifestyle, Community and Financial Investments Property Owners have made in the Tollgate Planned Community.

Our Philosophy

We the Tollgate Property Owners Association Board of Directors believe Tollgate Property Owners have made the following investments:

Lifestyle Investment-That manner of living that includes investments in outdoor activities, love of forest, peace, safety and calm, dark sky, family and open space.

Community Investment-The friendships cherished and maintained that enhance the enjoyment of living in Tollgate by investing and sharing in the many interests and talents of fellow homeowners.

Financial Investment- The investment of monetary resources by homeowners in the purchasing and improvement of their own property, as well as the property of the Tollgate Property Owners Association.

The Board of Directors is committed to address any issue that it deems as a threat to these investments within the Tollgate Planned Community. Secondly, the Board of Directors will address area wide community issues if a mandate is issued to the Board of Directors from the Tollgate Homeowners as declared in a special meeting called by 25% of the membership as provided for in the bylaws, article 4.3.
